**CHAPEL HILL PRESBYTERIAN CHURCH
APPLICATION REQUESTING BAPTISM**

Baptism is a sacrament of the Presbyterian Church. That means that we believe God will be present in a special way during the baptism and in your life. We would like to discuss the promises you will be making:

1. When did you first come to know Christ?

2. What challenges do you foresee in your walk with Christ? How can the church be a help to you?

3. What Bible verse would you say is a life theme verse for you?

In addition, Chapel Hill makes a promise to you. We will live lives of example. We will promise to support you as a family and pray for you.

If you agree with these promises, and if you are calling on Chapel Hill to keep its promise to you, please sign below:
