We believe that we are formed in a special way when we make a tangible commitment. On March 19 & 20, we'll ask you to walk this card to the foot of the cross as a sign of your submission to Jesus. Please consider which of the commitments on the reverse side of this card are your next steps for growing as a generous disciple.

✝ CHAPEL HILL PRESBYTERIAN CHURCH

Heart change is only possible through the Holy Spirit. What heart change will you commit to asking the Holy Spirit about, with specific regard to generosity? \_\_\_\_\_

Which of these commitments can help you move through the generosity ladder?

- ☐ I commit (or have already committed) to giving regularly.
- ☐ I commit to prayerfully increasing my regular giving by \_\_\_\_\_% or \$\_\_\_\_\_.
- ☐ I commit to sacrificial giving beyond my regular tithe and actively looking for opportunities to be generous.

We have several additional tools available to us. If one of these tools would help you in your journey as a generous disciple, please commit to one of the following:

- ☐ I commit to enrolling in online giving.
- ☐ I commit to taking FPU this spring.
