Interceding for Children

Your prayer “to do” list:

Today—*Don't leave this building without touching a child on the head and pronouncing the words, “Jesus loves you!”*

Tonight (at least... every night is better)—*Kneel beside your children's beds, lay your hands on them, and pronounce these words of blessing:*

“You are my precious son/daughter. I love you so much. I am so very proud of you.”...

Then pray with these words:

“Dear God. I thank you for _____ . He/she is such a wonderful gift. Help him/her to know and love you more and more every day. Keep him/her safe. I pray for his/her future spouse, that they would love you and be a perfect companion. Give _____ a good rest and a wonderful day tomorrow.

*In Jesus' name,
Amen*

For All of Us

Pray for children that God has brought into your life. Pray the 4 S's: Salvation, Significance (i.e., that they would fulfill God's calling), Spouse and Safety.
