Pray for Missionaries

As you prepare to pray, recall to mind the pictures Jesus uses to describe missions work in Matthew 9:35-38: the lost sheep and the plentiful harvest. Let your imagination play with these images, and allow yourself to feel Jesus' compassion towards his sheep, and his urgency for workers of the harvest.

Every day this week, choose one of the missionaries supported by Chapel Hill on this page to pray for. Keep this insert tacked on a mirror or a refrigerator to remind yourself.

The Burleigh Family: *Serving in DC, the Ukraine, and Russia.*

- *Pray for the 100 Russians and Ukrainians who attended the National Prayer breakfast in Washington DC earlier this month.*
- *Pray for a busy speaking schedule in the month of March for Doug.*
- *Pray for Debbie as she cares for her aging parents, grandkids, the congressional women's Bible study, and prepares to speak at the Chapel Hill Women's Retreat.*

The Lyons Family: *Transitioning home from Germany.*

- *Pray for their kids as they adjust to life in the states, especially little Ani who is missing her friends in Germany.*
- *Pray that the Lord would strengthen their marriage during this time of transition.*
- *Pray that Amy would find a place to serve and minister here in the US.*

The Koppes: *New Life Homes in Swaziland.*

- *Pray for personal stamina as they enter the busy season of a new school year.*
- *Pray for key personnel and provision to help on the farm and at the school.*
- *Pray for the teenagers on the farm—that they would choose the right friends, study hard, and grow in their knowledge and love of the Lord.*

Larry and Andrea C: *On assignment in Ottawa.*

- *Please pray for an upcoming opportunity to publish the New Testament through a non-Christian religious institution in South Asia, and upcoming meetings Larry will have about that.*
- *Pray for an upcoming video shoot in North Africa of a famous poet reciting selected Psalms.*
- *Please pray for our continued work in Ottawa in matching volunteers with Syrian refugees who need assistance.*

The Scandrett Family: *Serving Young Life in Gig Harbor*

- *Pray for the health and spiritual well-being of their family, that our family would fall more in love with Jesus so that we can keep pouring out and giving of ourselves by the power of the Holy Spirit.*
- *Pray that the leadership of Young Life would love the Lord our God with everything and love each other as ourselves knowing that if we do this kids will see, experience and hopefully meet Jesus.*
- *Pray for continued unity amongst leaders and our committee.*
- *Pray for continued financial stability.*

You can always pray these things for our missionaries, or any missionaries. If you have extra time this week, take a moment to pray these things as well.

- *Pray for the spiritual, emotional, and physical health of their family.*
- *Pray for the Lord's presence in their ministry.*
- *Pray for stamina and grace as they work long hours, often in different cultures.*
- *Pray for financial provision for their ministry and their family.*
- *Pray that the Lord would bring a great harvest through their work.*
