Summary:

This is the story of our own mission partner, New Life Homes, Peter & Mary Jean Kopp's home in Swaziland!

In this film a Swazi girl embarks on a dangerous quest to rescue her young twin brothers. This animated African tale is born in the imaginations of five orphaned children in Swaziland who collaborate to tell a story of perseverance drawn from their darkest memories and brightest dreams. Their fictional character's journey is interwoven with poetic and observational documentary scenes to create a genre-defying celebration of collective storytelling.

Discussion:

1. How does your story weave into God's grander story?
2. How has God transformed a broken chapter of your story into something beautiful?
3. How can sharing your story impact other people's lives?
