*Please initial the following statements*

\_\_\_\_\_ I recognize that Go Teams require good physical health. 1-3 miles of walking per day in extremely high temperatures are not uncommon. I will communicate any current or upcoming health issues that may affect my ability to fully participate in the trip.

\_\_\_\_\_ I understand that good emotional health is also an important component of a positive Go Teams experience. I will discuss with my Team Leader any stressors that may affect my ability to be fully present to the team or our ministry partners. I will also relay whether I am currently under the care of a counselor and/or licensed therapist.

\_\_\_\_\_ I am aware that the “stretching” nature of Go Teams sometimes involves sensitive subjects including trauma, abandonment, rape, trafficking, abuse, and addiction. If my personal story includes any of these elements, I commit to confidentially share them with my Team Leader before the trip.

\_\_\_\_\_ My spouse and/or family are supportive of this trip.
